

PREVENTIVE MEASURES AGAINST COVID-19

Thank you for arriving at the exact time of your appointment. Call my phone and I'll come open the door without shaking your hands. Leave your coat and bag in the wardrobe. Walk straight ahead to our HEMISPHERES' spacious meeting room. Before sitting down, wash your hands in the kitchen and help yourself with a cup of tea if you want. Our chairs will be placed 2 meters apart (6 feet 5 inches). If weather permits, we can also sit outside in the garden. We finish on time and I sanitize before the next person who will arrive 15 minutes later so you do not meet. Before leaving, put your cup in the dishwasher and wash your hands again. Please note the WC will only be accessible in case of emergency, thanks. See you soon!

**Mandatory
hand washing**

***Thanks in advance
for your compliance.***

***Looking forward to
welcoming you again
as of 2nd June 2020 !***

**Feeling
sick?**

**Stay
home!**
